- Silencer (on the top)

Marked parts must be used throughout the entire competition and must be in their proper place at the final examination.

Sound Control:

Sound Control will be done based on "2mMax Method". Sound limits are:

- 114 dB/A ahead of race,
- 115 dB/A after the race.

Each rider or his mechanic can present a maximum of one (1) motorcycle and one (1) spare silencer. Should damage or deterioration occur to the original silencer it may be changed for the marked silencer without penalty.

Tires:

As the entire event **ABESTONE HARD ENDURO** will take place on private land or using only officially closed roads:

- motorcycles don't have to be street legal
- should have to have a light mask mounted in the front
- homologated Enduro and Motocross tires are permitted.

Tires shall be available for purchase to the public.

5) Event Format

5.1) Friday: Training Day - "ELEVET XTREME TEST"

Location: Val di Luce

Track: The ELEVET XTREME TEST will be a three (3) to five (5) minutes lap on difficult terrain.

Schedule:

Free practice: 10:00 – 12:00 **only** FIM World Championship Enduro License Holders

Free practice: 12:00 – 15:00 **all other** competitors

Time practice: 16:00 – 18:00 (one timed lap, one lap for each competitor)

Start - Time Practice:

Competitors will start individually with twenty (20) seconds time interval.

FIM-Competitors according to starting numbers, followed by Amateurs according to starting numbers (both groups, lowest number first).

Classification:

The participation is optional and not mandatory to take part in qualifying session on Saturday.

On Saturday, competitors will start according to their Time Practice Time (fastest first) all others (who did not participate in Time Practice) will follow in order of their starting numbers.

Any rider that deliberately goes around any obstacle will get a One (1) Minute Penalty on his best lap time.

5.2) Saturday: Qualifying Day - "JUST1 SPECIAL TEST"

Location: Val di Luce

Track:

The **JUST1 SPECIAL TEST** will be approximately 10 km long and will be marked with KTM track tape and blue signs.

The track can be entered three (3) times, according to fixed, individual starting times. One (1) timed lap is mandatory to be qualified for Sunday.

Schedule:

All Competitors will be divided in three (3) equally large groups, FIM-Competitors will all be in Group A and will open the qualifying sessions, followed by Amateurs of Group A and Group B and C respectively.

The track can be entered three (3) times, according to fixed, individual starting times.

Start:

Competitors will start individually with twenty (20) seconds time interval in order of their Time Practice Time (fastest first) all others (who did not participate in Time Practice) will follow in order of their starting numbers.

Starting times are spread over the entire day to provide equal chances in terms of possibly changing track- and weather- conditions. Details see below under section/point 12) "FIM Event Schedule".

Classification:

Best single lap time of Saturday's **JUST1 SPECIAL TEST** determines the starting order for Sunday's **LIQUI MOLY SUPER FINAL** (top 50 riders) and the **MITAS FINAL** (all other competitors).

5.3) Sunday: Race Day - "MITAS FINAL" and "LIQUI MOLY SUPER FINAL"

Sunday will be divided in Final and Super Final.

Top 50 from Saturday are qualified for the **LIQUI MOLY SUPER FINAL**, all other competitors will start in the **MITAS FINAL**.

5.3.1) "MITAS FINAL"

Saturday's fifty-first (51) fastest rider and all competitors qualified behind will compete in the **MITAS FINAL**. Starting at 09:00 on Sunday competitors will start individually (one after another).

Location: Val di Luce

Track:

The **MITAS FINAL** race track will be approximately 15 km long (no assistance area). It will include most of Saturday's Just1 Special Test plus multiple, additional Hard Enduro sections.

It will be marked with KTM track tape and blue signs.

Start:

Start will be at 09:00, the competitors will start individually one (1) rider every 20 seconds, in the order of their qualifying results (best qualified first).

Outside Help:

No outside help is allowed, neither from public nor from team members. Only riders can help each other.

Check Card:

Every rider will have a Check Card that must be validated in every checkpoint, approx. five (5). If a checkpoint is missing the rider will be disqualified. If a rider doesn't deliver the time card in the end of the race, he may be disqualified.

Duration:

Maximum race time will be three (3) hours, after three (3) hours the track will be closed (12:00a.m.). Riders who cannot finish the race in time must return to the paddock by alternative route. Last checkpoint registered inside the three (3) hours will determine the classification.

Premature Race Stop:

If, by any motive, the race must be stopped, classification will be done as follows:

Less than half of the checkpoints raced – Race will be cancelled/Null

More than half of the checkpoints raced – Results will be determined by the number of checkpoints reached in the fastest time.

Classification:

Final results will be determined considering the best lap time respectively by the number of checkpoints reached in the fastest time.

All results will be available on a live timing platform.

5.3.2) "LIQUI MOLY SUPER FINAL"

Saturday's fifty (50) fastest riders are qualified for the **LIQUI MOLY SUPER FINAL** starting at 14:00 on Sunday. Riders briefing for LIQUI MOLY SUPER FINAL will be in the paddock at 11:00 a.m. on Sunday.

Location: Abetone, Ski Resort

Track:

The race track will be approximately 20 km long and will have one Assistance Area.

All the race track will be marked with Liqui Moly track tape and with red signs.

50 riders will start with the exact time difference of their qualifying lap from Saturday.

Start:

All competitors will have to enter the pre-start area until 13:00 p.m. to go to the start in a convoy (close distance). From the start area/the start competitors will start individually (one after another) according to/with the time difference of their Saturday Qualifying result/time.

Outside Help:

No outside help is allowed, neither from public nor from team members. Only riders can help each other.

Assistance Area:

The race track will have one Assistance Area where **ONLY** the rider is allowed to refuel, change parts and service/repair the bike. One team member per rider will have access to the Assistance Area to prepare tools and parts. But keep always in mind: **ONLY** the rider is allowed to work on the bike. Time spent in the Assistance Area counts as race time, will add to the time spent on the track.

Check Card:

Every rider will have a Check Card that must be validated in every checkpoint. If a checkpoint is missing the rider will be disqualified. If a rider doesn't deliver the time card at the end of the race, he may be disqualified.

Duration:

Maximum race time will be three (3) hours.

Riders who cannot finish the race in time must return to the paddock by alternative route.

Last checkpoint registered inside the three (3) hours will determine the classification.

Premature Race Stop:

If, by any motive, the race must be stopped, classification will be done as follows:

Less than half of the checkpoints raced (by the leader) – Race will be cancelled/Null

More than half of the checkpoints raced (by the leader) – full championship points will be given.

The final results will be determined by the number of checkpoints reached in the fastest time.

Classification:

Final results will be determined considering the number of checkpoints validated. The rider with the most valid checkpoint registrations in the right order and in the least amount of time will be the winner.
